Mild Laxative for Baby Free

The child of today is the parent of the future, and whether it grows up healthy and strong, or puny and weak, depends upon the intelligence of its parents, for most children are born into the world healthy, but thousands become future weaklings between birth and the age of ten, when the parents are still in greatest control.

The prime cause of trouble is in the stomach. A baby that is digesting its food seldom cries and always looks cheerful; the little child whose stomach is good romps and plays and never whines; the growing child learns well at school and is eager for fun if its head is clear and its stomach light, and that means it has no constipation.

The best and safest way to cure any irregularity of the stomach and bowels in children is by the use of Dr. Caldwell's Syrup Pepsin. This is a liquid laxative wonderful in its effect as Mrs. John W. Dunham, Apple Creek, O., Mrs. H. L. Cullam, Plainville, Ind., and numerous others can testify who give it to their children with extraordinary results.

A bottle only costs 50 cents or \$1 according to the size you want, and even one 50-cent bottle will do a wonderful amount of good in a family. It can be given to any member of the family in constipation, sour stomach, indigestion, torpid liver, dyspepsia, heartburn, sick headache and similar digestive troubles. It never grips or strangles like pills, tablets, salts and powders, which should not be given to children, women or old folks.

If you have a child or other member of the family who needs, but has never used this grand laxative tonic, send your name and address to the doctor and a free trial bottle will be sent to your home. In this way you can find out what it will do without personal expense.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.

Must Stop Sport.

The Postoffice Department at Washington has notified that rural route carriers in various sections of the country were putting in part of the time while making their rounds in shooting rabbits. As this meant delay for the prompt delivery of mails, an official order has been issued from Washington directing the carriers to stop whiling away their time while on duty in shooting rabbits and to give their attention and energy to the delivering and gathering of the mail on their respective routes.

A Change Coming.

The Cynthiana Democrat says the trusts contend that they must charge extortionate prices for their product because the farmers charge such high prices for their food stuffs. The farmers contend they must get high prices for their stuff because the trust charge such extortionate prices for theirs. Between the two the man who works on a salary is being ground to a pulp and there is nothing at all coming to him as who is called "the laboring man." Some day there will be a revolution.

Candlemas Day.

Today, February 2, is the Feast of the Purification, commonly called Candlemas Day, because on that day the candles used in Catholic churches in the masses throughout the year are blessed. The candles used in the Mass must be of pure bees wax which is symbolical of the pure manhood and body of the Divine Saviour. The brilliant flame points to His divinity, the taper His human nature and the wax itself denotes His virginal person. Hence the church is very particular in her requirements concerning the candles used for the sacrifice of the Mass, and not merely for illumination. The Feast always occurs on February 2, forty days after Christmas and is of very ancient observance.

Mrs. Youtsey Divorced

A decree granting Mrs. Henry Youtsey an absolute divorce from her husband, serving a life sentence in the penitentiary for complicity in the murder of William Goebel, was entered in the Circuit Court at Frankfort Friday. Mrs. Youtsey is restored to her maiden name, Sarah C. French. Mrs. Youtsey stuck to Youtsey for years after he was charged with complicity in the plot to kill William Goebel and she worked hard to get a parole for him. After she found that he could not get a parole and probably spent his last days in the penitentiary, she brought suit for divorce. The suit was brought in Winchester first and the court held it did not have jurisdiction, so Mrs. Youtsey filed the suit in Frankfort.

Jack Chinn Gets Hot.

At Frankfort, Friday, after the Governor's supplementary message was read in the House, Col. Jack Chinn, Representative from Mercer county, introduced a resolution denouncing what he termed the "barbarous" conditions relative to convict labor in the penitentiaries under State contractors. He asked for the appointment of a committee of five members to investigate these conditions.

Representatives J. W. Perry, J. W. Holland and S. M. Russell moved to refer to the Committee on State Prisons and Houses of Reform, which carried by a vote of 44 to 29.

Representative Chinn made an impassioned speech and showed the bitter feeling that animated him. He said another resolution to investigate the prisons had "sneaked" through during his absence from the House. He said a big lobby was there to defeat a proper investigation of conditions at the prisons. He attacked the members of the Investigating Committee heretofore appointed. His remarks created a sensation.

The State Bond Issue.

It is said the Democratic leaders have agreed to a bond issue of half a million dollars to relieve the present stress of the State's finances and a bill to that effect will be passed at once. Gov. Willson favors the bond issue, and said to the Democrats with whom he talked that if the State is relieved of the present debt that is being carried there will be money enough from now on to meet the indebtedness as it comes and pay the warrants as they are presented. The State has been refusing to pay warrants for some time on account of lack of funds in the treasury, but the half million of dollars to be secured by the bond issue will wipe out all debt.

"Aunt Mary" Felix Dead.

"Aunt Mary" Felix an ex-slave, the oldest person in Woodford county, who was believed to be 111 years old, died at her home near Mortonsville of paralysis. She was said to have been born in 1799 in Culpepper county, Va., and was brought to Kentucky by her owner, Benjamin Wickerham when she was eight years of age. She remembered passing through Lexington when it was a small hamlet of log buildings, surrounded by a wilderness.

Farmers Hit at the People.

Three hundred farmers of Vernon county, Mo., at a meeting in a country schoolhouse near Nevada, Mo., Friday adopted a resolution agreeing not to sell any cattle, hogs, poultry eggs or butter for sixty days, beginning February 1. Their action is as a protest against the statements of the large packing house interests that the farmer and stockman are responsible for the high prices of foodstuffs. A letter will be sent to all the farmers' associations in the United States, requesting them to withhold their products from market.

Frankfort Reformatory.

Senator C. M. Thomas, of the Prison Committee, reported favorably the bill changing the State prison at Frankfort into a reformatory, and giving a portion of earnings of convicts to his family. He secured immediate consideration for it, and the bill passed in Senate by vote of 34 to 1.

Gov. Willson's Second Message.

In a second message transmitted to both branches of the Legislature Friday, Governor Willson takes up and discusses the proposed amendment to the Constitution to secure a more modern and equitable system of taxation, management of the State charitable institutions by the bi-partisan Board of Control, and additional appropriations for the beautifying of the new Capitol and grounds. He strongly recommends a more uniform and just taxing law, incorporating the report of the State Tax Commission, the continuance of the present bi-partisan Board of Control in charge of the insane asylums and institutions for the feeble minded, the erection of an executive mansion in keeping with the new Capitol, and the sale of the old Statehouse property.

He cautions the Legislature that it will be useless to make new appropriations unless the money is provided to pay them. The message concludes with the statement that later in the session the Governor will send in another message on the needs and conditions of schools, penitentiaries, militia, good roads, pollution of streams and the income tax amendment to the Federal Constitution.
